UFlex partners with PHDCCI for the Global Sustainability Summit 2024

Noida, NCR, September 13, 2024: UFlex Limited, India's largest multinational flexible packaging and solutions company, is proud to partner with the PHD Chamber of Commerce for the Global Sustainability Summit 2024, held today at Hotel Le Meridien, New Delhi. The summit is dedicated to empowering micro, small, and medium enterprises (MSMEs) by integrating sustainability into their business models in alignment with the UN's sustainable development goals (SDGs).

The Global Sustainability Summit 2024 highlighted innovative strategies, technologies, and practices that enhance economic growth while promoting environmental sustainability. This marquee event provided a platform for MSMEs to connect with global markets and explore investment opportunities that support their sustainable development.

Mr. Jeevaraj Pillai, Director – Sustainability, UFlex Limited, addressed “Integrating Corporate Social Responsibility into core business strategies.” In his session, Mr. Pillai emphasized the critical role of sustainability in modern business practices. He stated, *“Integrating corporate social responsibility into core business strategies is critical for forward-thinking enterprises. Businesses should align their operations with environmental and social goals to drive long-term success and create a positive impact.”*

“At UFlex, we believe sustainability is a journey that requires commitment and innovation. Our partnership with PHDCCI reflects our dedication to supporting MSMEs in transitioning toward more sustainable business practices. We aim to contribute to a more sustainable and resilient global economy by sharing insights and collaborating on effective strategies”, he added.

“UFlex is committed to advancing sustainability and looks forward to continuing its efforts in collaboration with industry leaders and organizations to drive meaningful change”, he reiterated.

The summit featured discussions on emerging technologies and best practices in sustainability, offering valuable insights on incorporating these into their business models.

Notable industry speakers included experts from various fields, such as the Ministry of Environment, Forest and Climate Change, SIDBI, IOCL, Suzlon Group, Deloitte, and others.

PHDCCI is a premier industry association that aims to foster the growth and development of Indian businesses through advocacy, research, and capacity building. The organization plays a pivotal role in promoting sustainable practices and supporting MSMEs.

About UFlex:

UFlex is India’s largest multinational flexible packaging and solutions company. Since its inception in 1985, UFlex has grown from strength to strength and has built a strong presence across all verticals of the packaging value chain - packaging films, chemicals, aseptic liquid packaging, flexible packaging, holography, engineering, and printing cylinders.

With a 10,000+ strong multicultural workforce across global regions that works toward developing innovative, value-added, and sustainable packaging solutions, the company has earned an irreproachable reputation for defining the contours of the ‘Packaging Industry’ in India and overseas. It provides end-to-end solutions to numerous Fortune 500 clients across various sectors such as FMCG, consumer product goods, pharmaceuticals, building materials, automobiles, and more, in more than 150 countries.

Headquartered in Noida, the National Capital Region, India, UFlex enjoys a global reach with advanced manufacturing facilities in India, UAE, Mexico, Egypt, USA, Poland, Russia, Nigeria, and Hungary.

A winner of various marquee global awards for product excellence, innovation, and sustainability, UFlex is the first company in the world to earn recognition at the Davos Recycle Forum in 1995 for conceptualizing the recycling of mixed plastic waste. For more details, please visit: www.uflexltd.com
